BOMUSD Kindergarten and Transitional Kindergarten

The Kindergarten program for Black Oak Mine includes both a one year program and a two-year program. The one year Kindergarten is for those students who turn five by Sept. 1 and who are developmentally ready for a traditional Kindergarten (K) program. The two-year Kindergarten is one year of Transitional Kindergarten (TK) and a second year in traditional Kindergarten. The TK class is designed to serve students who turn five between the dates of Sept. 2 and March 15th or for those who are not quite ready for traditional Kindergarten based upon developmental assessments and parent choice (dependent on enrollment). All students begin school in August.

TK and Kindergarten are offered at all school sites. For more information regarding Kindergarten or TK please contact **Monica Woodall, Early Education Services Coordinator for BOMUSD**, mwoodall@bomusd.org or 530 885-4079
